DATA

We work in public.

Film, books, serial television, streaming television, albums, music, and other media objects examined in the following pages are tagged with medata in this data repository:
https://github.com/mmrl-me/mmrl-metadata

Individual media object files:
https://github.com/mmrl-me/mmrl-metadata/tree/main/json

The tagging schema, and all details from experiments with applying tags to specific media objects can be viewed in the MMRL data repository, which is licensed as CCBYSA and can be re-used by others.

Please contact us if curious or willing to contribute.
